The golden triangle of Switzerland.

Lucerne, Lugano, Lausanne.
3 cities, 3 lakes, 3 cultures.

A touch of Germany, Italy and France.

Why rushing and cover a lot of Km to see different countries in Europe, while you could stay in Switzerland and enjoy a relaxed holiday experiencing 3 different cultures, 3 languages, 3 gastronomies. Save time, save money!

Day 1

Lucerne.

Get the German touch in Lucerne – the hearth of Switzerland. A stunning setting, world-famous sights, exciting modern architecture, endowed museums and much more make Lucerne a thrilling city to visit.

Lugano.

Get the Italian touch and live the dolce vita – all while experiencing more wonderful moments on a boat visiting enchanting places, as the picturesque fisherman village of Gandria and Morcote.

Day 4

Day 2

Lucerne.

Mt. Pilatus, Lucerne's landmark, well known for its legends and traditions offers a magnificent 360° alpine panorama view. Accessible all year around by cable cars from Kriens. Between May – October you can experience the complete Golden Round Trip by adding a lake cruise from Lucerne to Alpnachstad and a ride with the world's steepest cogwheel railway.

Lausanne.

Get the french touch in the land of savoir faire and belle vie. Enjoy the wine of an incredible place – the Lavaux region – landscape of terraced vineyards and World Heritage Site.

Day 5

Day 3

Lugano.

We took the best from two worlds: on one side precision and Swiss quality, on the other side Mediterranean charm and style in gastronomy and architecture – these are simple words to describe the beauty of this land of contrast. Lugano is also a great place for shopping!

Lausanne.

Lausanne is the second-largest city on Lake Geneva and is extremely picturesque. Since 1914 it is headquarter of the International Olympic Committee. This lively city is also blessed with an exceptionally rich cultural scene and has a large student population.
